INFORMATION PAPER FOR BOARD OF MANAGEMENT (BOM)

1.0 Purpose

The purpose of this paper is to inform the Board of Management on the breakdown cost of Workshop on Reviewing Tourism User Fee Using Good Regulatory Practices (GRP) scheduled for 4 states – Terengganu, Kelantan, Pahang and Johor using SPN-Tourism Budget.

2.0 Background

2.1 Tourism sector will continue to be in the forefront of Malaysia's economic development. This sustainable and high-yield sector will continue to drive Malaysia's economy, providing income, job opportunities and Tourism Infrastructure Development. Malaysian Inbound Tourism Association (MITA) has been part of Malaysia's Inbound Tourism business booster in line with Malaysia Tourism Transformation Program (MTTP) under National Key Economy Area (NKEA) transmission plan

2.2 The government has set the target of 2020:36:168. That is in the year 2020, Malaysia will receive 36 million tourist arrivals and RM168 billion in tourist receipts. One of the common enablers to ensure successful implementation of the Tourism chapter of the Economy Transformation Program (ETP) is to produce qualified, skilled and effective inbound tours operators, influencers, host operators and workforces personnel in the tourism industry.

2.3 The primary objective of the workshop is to provide knowledge and develop skills for the tourism product owners and regulators on how to review pricing by using good regulatory practices. It also helps the tourism players to identify opportunities to enhance the values/services of tourism products. The Workshop will also address the concerns addressed in the Malaysia Productivity Blueprint (MPB) as outlined in the following initiatives: T3: Product owners to review pricing system of sites
