PAPER FOR BOARD OF MANAGEMENT APPROVAL
PRIVATE HEALTHCARE PRODUCTIVITY NEXUS GOVERNING COMMITTEE
MEETING AND INITIATIVES WORKING GROUP MEETING

1.0 Purpose

The purpose of this paper is to seek the approval of MPC's Board of Management (BOM) for a budget to organize the Private Healthcare Productivity Nexus Strategic Workshop 2021.

2.0 Background

The Productivity Nexus for Private Healthcare was established to ensure effective implementation of sector specific productivity initiatives and work closely with industry on the ground. The initiatives under the Productivity Nexus is expected to better support and equip local enterprises to adopt technological advancements and identifying the opportunities of the sharing economy through stakeholder's needs assessment and benchmarking with global best practices.

Therefore, in overseeing and supervising the progress of the Nexus, Governing Committee is established. This Governing Committee comprises of representatives from associations and government agencies in relation with Private Healthcare industry. In order to monitor and implement overall progress of the Nexus, working group for each initiatives has been formed within Governing Committee members.

All initiatives identified were aimed at solving specific root causes in the challenges faced within the private healthcare and at the same time were aligned to the five thrusts in Malaysia Productivity Blueprint (MPB).

These initiatives are divided into three (3) Focus Group (FG) namely

- FG 1: Workforce & Performance
- FG 2: Technology & Innovation
- FG 3: Regulatory

3.0 Justification/ Benefits

- To review the status of current PHPN initiatives and activities;
- To discuss the newly proposed PHPN initiatives and activities for year 2021; and
- To gather ideas and inputs from PHPN Technical Experts and Private Healthcare Industry Players.

4.0 Cost
