## **PAPER FOR BOARD OF MANAGEMENT APPROVAL**

### **1.0 Purpose**

The purpose of this paper is to seek approval of MPC's Board of Management (BOM) to utilise the SPN-PHPN budget to conduct Private Healthcare Productivity Nexus - Virtual Advisory Services (PH-VAS) for First Quarter 2021.

### **2.0 Background**

The pandemic of COVID-19 has proven to be strain on the global economy including Malaysia, businesses are also growing increasingly concerned about surviving this extremely challenging times. MPC has taken one step ahead to assist companies propagate productivity and to get the industry players involved in realization the optimum time management and constantly be productive during the present movement control order.

The set up of Private Healthcare Productivity Nexus - Virtual Advisory Services (PH-VAS) is to have in-depth advisory and consultation online “clinic” which will be performed by selected PHPN industry experts and specialists as the advisor. PH-VAS focuses on financial consultation, Regulation, SOP/Regulation, Technology/Telemedicine and Productivity & Performance which aims at assisting the healthcare sector to recalibrate the industry for a stronger comeback once the impact of COVID-19 is contained.

### **3.0 Objective**

- To provide in-depth understanding on Healthcare consultation areas;
- To diagnose company “sickness” and recommend implementable solutions in addressing the challenges and barriers for company’s growth and expansion; and
- To support Private healthcare industry capacity and capability to rebuild the business due to the adverse impact of COVID-19.

## **4.0 Proposed Scope of Clinics**

PH-VAS intends to focus on the areas below which aims at assisting the PHPN industry players to recalibrate the industry for a stronger comeback:

- Financial consultation;
- Regulation;
- Standard Operating Procedure / Regulation;
- Technology/Telemedicine; and
- Productivity & Performance.

## **5.0 Output**

The expected outputs include:

- Standard operating procedures (SOP), process flow and manuals;
- Terms of reference (TOR) for advisor and company;
- Real-time recommendation based on PH-VAS areas of consultation;
- Reports on selected participating companies – 1 consultation report for each company comprising the company's diagnostic information, challenges and restriction for expansion, as well as recommendation for solutions; and
- Company evaluation report.

## 6.0 Cost

Below is the estimation cost:

No.	Item	Cost*	Pax	Quantity*	Total (RM)
1.	Coordinator	RM500/day	1	10 man days	5,000.00
2.	Advisor	RM200/session	1	25 sessions	5,000.00
	<b>Total (RM)</b>				<b>10,000.00</b>

*\*(Perubahan kadar adalah tertakluk kepada kelulusan Jawatankuasa Pengurusan Perkhidmatan Kepakaran (JPPK))*

## 7.0 Conclusion

The approval of BOM is sought to approve the budget of **RM10,000.00** to utilise the SPC2.0-PHPN budget to conduct Private Healthcare Productivity Nexus - Virtual Advisory Services (PH-VAS) for First Quarter 2021.
