**2.0 Background**

e-Shared Prosperity Organisation (eSPO) is an online platform that issues electronic acknowledgement certificate to the organization that successfully implemented Productivity-Linked Wage System (PLWS). As a strategic enabler that contributed to the wealth creation and wealth sharing, the importance of the PLWS is clearly mentioned in MPB 2017, SPV 2030, Bank Negara Report 2018 and the coming National Human Resource Blueprint (NHRB).

The main objective of eSPO is to increase the take up rate of PLWS adoption via acknowledgement certificate. The eSPO is launched on 17 December 2020 by YBhg. Dato' Sri Norazman Ayob, Deputy Secretary General, MITI.

To expedite eSPO acknowledgement for year 2021, a program on advocating on eSPO is needed to advise, facilitate and encourage industry players to be acknowledged.
