Competitiveness Talk #20: Secondary School Enrollment
7/10/2020

The image shows a video conference interface. On the left, there are two video feeds: one of a man in a dark shirt and another of a man in a light blue shirt. The main area is a presentation slide with a teal and white design. The title 'SECONDARY SCHOOL ENROLMENT' is displayed in large teal letters. Below the title, the text 'Pilar 4.5.07' is visible. To the right of the title is a photograph of a group of eight young adults, both male and female, dressed in various school uniforms, including traditional and modern attire.
