2.0 Company Diagnostic Post Assessment Summary Report

Nature of Business

Neos Engineering Sdn. Bhd. was incorporated in 1981 as an engineering, procurement, fabrication, and testing and installation company specializing in the Oil and Gas industry.

In 2015, under the group of new management, Neos Engineering has been revitalized with the aim of providing the highest standard of services and products to its clients in local Oil & Gas and Energy & Power industries.

In order to overcome the issues, the management agreed to embark in SPPE Program conduct by MPC. The improvement program chosen is to apply 5s Program at their plant.

The 5s Project

5S POLICY

NEOS Engineering is committed to practise the culture of 5S towards achieving a systematic, conducive & safe working environment in order to provide excellent delivery of services for client and staff satisfaction.

5S OBJECTIVES
