Diagraph.pdf Bistanika.doc Directory.xlsx

Dear Dr,

As spoken, I'm sharing the template and mapping framework for the Automation Value Chain Directory.

Due to different nature of operation, we believe the export percentage (as required in the TOR) not relevant and we propose to replace with capital equity.

This would give a brief information on the status of current automation industry whether locally own or foreign own.

Hope to hear your feedback.

Thank You and Best Regards

Liana Abd Rahman

AUTOMATION VALUE CHAIN MAPPING

Please indicate your sector in the Automation Value Chain

Primary sector of the company should be marked with (X), select **ONE** only.

Supporting sector mark with (√) can be more than one.

Automation Value Chain

Automation Parts Manufacturer	Sub-System Manufacturer	Software Vendor	System Integrator	System / Machine Builder	Panel Builder / Installer	Maintenance Service Provider	Training Provider	Distributor / Reseller
		√	√					√

COMPETENCY MAPPING

Please indicate your company strength

(●) Full competency or (▲)=Collaboration with business/technology partners

Design				Hardware /Software Integration																	
System	Construction	Animation/Simulation	Retrofit	IoT Devices/ Sensor / Actuator Installation	Servo / Motion Control	Network Communications Wireless /M2M/ Mobile Devices	Factory Automation I/O/PLC/SCADA/HMI	Process Automation DCS/PLC	Instrumentation/ Control Valves	Machine Vision Inspection	Industrial Robots / Autonomous Robots / AGV	RFID / Barcode Solutions	Material Handling System	Warehouse Automation / ASRS	Power Monitoring / Energy Management	Equipment Monitoring / Predictive Maintenance	Machine Safety Installation	IoT Gateway / Cloud Computing	Smart Manufacturing Solutions	Augmented Reality / Simulation	3D Printing/ Additive Manufacturing
