

The World's First *Virtual* Hammock Festival

Dust off your hammock and bring out your personality, in the world's first ever virtual hammock festival this Saturday on a beautiful date - 12.12!

Organised by Hammockers Malaysia, they are no strangers to 'hammocking.' For backpackers and avid adventurers, hammock camping is a popular alternative mode to traditional camping. All you need to do is replace your regular old tent with a hammock, find two sturdy trees to set up and there you go, you get hammock camping (with a bit more skill of course!).

But wait, why are hammocks getting an own festival?

Well, this hammock festival aims to bring together fellow hammocking enthusiasts as a social networking session to share your favourite spots as well as meeting new friends from across the globe to expand your circle!

How will you benefit if you join this morale-boosting festival? Besides meeting other enthusiasts and friends, you will receive an E-certificate of participation to commemorate your presence, plus several lucky draws throughout this one-hour virtual event. Discount vouchers from the organiser will also be exclusively available for your next trip.

Not only that, to make this festival even more memorable and to end off the year for enthusiasts on a high note, there will be a sing-along session with a surprise guest singer to tighten the bond with your new friends.

For a fee of just RM10 (less than \$3 USD), 50% of your contribution will go towards a local Children's Study Centre.

Slots for this event are only limited to 100 people due to platform constraints, so what are you waiting for? Get out your gear and find the best spot to show to your virtual hammock buddies!

*Link to the virtual event will be given to you between the 10th and 11th of December.

This event is organised by Hammockers Malaysia and Hugs Project, supported by Tourism Productivity Nexus and Malaysia Productivity Corporation.
