### **Items Discussed**

#### **1. MyHDW (Malaysian Health Data Warehouse)**

- a. There is a plan to pilot the coaching session on November 11, 2020 by PIK as shared by Syafina.
- b. However, CEO Forum on MyHDW and Launch of the 5<sup>th</sup> book has no final date yet and it is not yet determined if physical launch is possible. CEO Forum on MyHDW is tentatively planned on November 23, 2020.
- c. For the Coaching Sessions of MyHDW users, the approach can be changed to online instead of doing face-to-face. The training via online interactive coaching session should be discussed with PIK to allow this program to proceed soon and not wait for CMCO to end.
- d. Attendees agree to pilot the interactive approach by region.

#### **2. ICD 11 Training**

- a. WHO wants a session with the private sector regarding awareness on the new version of International Classification of Diseases (ICD 11).
- b. The training on ICD 11 will be raised in the next PHPN Governing Committee.
- c. As the custodian of ICD 11, PIK was given a grant to increase increase awareness among healthcare personnel.
- d. Dato' Jacob plans to launch MyHDW and the ICD 11 together to connect ICD 11 to MyHDW.

### **3. HIE (Health Information Exchange)**

- a. The team agreed not to do anything for this year.
- b. It was agreed to review the Health data in 2021.

### **4. PPP (Public-Private Partnership)**

- a. It was suggested to furnish the PPP study to Dr Rohaizat and cc the DG.  
(*Note: As of Nov. 20, MPC emailed the report to Dr Rohaizat, copied to DG.*)
- b. Dr Fazilah will then help push/follow-up to help identify the resources availability (Note: This initiative is different from Fair Pricing.)
- c. Phase 2 will be additional activities to be executed on the private side.
- d. The study done on PPP Under “*PH 3.1 Sharing of underutilized medical technology resources by developing a resource utilization model (PPP)*”, the activities will be changed to a more general action e.g. engagement sessions.
- e. To discuss and inform Dr Arasu to put priority on PPP e.g. app to be used, how to use etc.

### **5. Other Action Plans**

- a. MPC to email to the T & I team members the points of discussion for the next NGC meeting.
