

HOW CAN WE SUPPORT PHYSICAL DISTANCING IN THE OFFICE?

The objective is to become a COVID-safe workplace, and to find creative ways to help their employees do the right thing.

Installed Physical Barriers to prevent people sitting too close to each other

Introduced life-size eye-catching reminders of how far 1.0m actually is

Create Floor Markers and Signage

Remove excessive furniture from meeting rooms and café tables

Provide Hand Washing Stations

Frequent handwashing rather than plastic gloves

Wearing reusable cloth masks (not disposable ones)

Provide Hand Sanitizer

Proactively encouraging flexible start times / working hours of employees
