**Quotation To The Scope Of Subject Matter Expert For Behavioural Insights (BI) In
Improving Enforcement of Water Pollution – Quotation**

Referring to the above titled project,

2. I would like tender my quotation for the designated study as described in the table below:

| No. | Items | Man-days | Amount (RM) |
|-----|--|----------|-------------|
| 1. | Inception Report: I. Mapping existing situation on the water pollution and how other economies and its enforcement handle the water pollution; II. Identify potential issues as well as performing verification and validation with relevant authorities; III. Engagement with relevant agencies and authorities (Online or Physical) (e.g. JPS, LUAS, SPAN etc) in accordance to the current Standard Operating Procedures (SOPs) released by MKN; IV. Propose feasible recommendations on how to improve the enforcement when dealings with water pollution at the targeted area; V. To establish appropriate BI tools as better mechanism in improving enforcement for water pollution; | 14 days | 15,000 |

| No. | Items | Man-days | Amount (RM) |
|-----|---|----------|-------------|
| 2. | Final Report: I. Finalize the presentation and the review report that covers the recommendations on improving enforcement for water pollution; and II. Produce final report outlining activities done, results achieved and deliverables submission. | 4 days | 4,000.00 |

3. I would like to thank you for the invitation to participate in the tender process and I hope you will find the quotation suits your agency.

Thank you

Best regards
