**Re: QUOTATION - MPC CHEMICAL PRODUCTIVITY NEXUS (CPN) DATA ANALYSIS**

MPC has requested for a quotation to produce a report on analysing the issues and challenges faced by Chemical Productivity Nexus (CPN), and to provide suggestions and recommendation to be taken. To conduct an analysis of 30 companies on the above matter, we have produced a quotation with the following details:

**Duration** : Two months  
**Task** : Data analysis of 30 companies  
**Deliverables** : Report on issues and challenges and provide recommendations for CPN  
**Fees** : RM35,000

We look forward to a favourable response from you. Thank you.

Best regards,
